Update: An additional Clinic has been added for the week of June 14-17.

Beginning Golf for Juniors... This class is designed *for the junior golfer who is just starting or has never had any instruction. The focus is having fun. Safety, etiquette and technique fundamentals (for putting, chipping and swing) will be introduced during this clinic.* A T-shirt will be included in the enrollment fee. Parents are encouraged to stay, take pictures and help the instructors monitor the play on the course for the early morning tournament on the last day.
