Membership of $100 includes tournament entry fees for all events; awards luncheon; GHIN handicap system; and the hole-in-one competition. Members can bring guests to the awards luncheon for an extra fee. Dues are not refundable unless they cancel before Wednesday, July 29 , and approved by the President or Treasurer. Since the GHIN fee must be paid in advance, the maximum refund will be $60. All requests for a refund must be made to the League President or Treasurer.

New Member Information—RSGL plays a 15-tournament schedule on Mondays in the Spring and Fall and uses a point system to determine end-of-season awards. The point system, formats played, schedules, and other information is posted on the RSGL web page at the following link: http://www.cor.net/RSGL. New members do not fully participate in earning points until they have posted 5 scores in league play. Please print out and read all rules as posted on the web page.

The deadline for Fall Season registration is Wednesday, July 29, 2026, when the current member list will be submitted to Sherrill Park for the following Monday's format setup. (Registration will be accepted and player list updated after this date also, but updated list will not be sent out to the league).
The Season begins on Monday, August 3, 2026.

The Sherrill Park staff handles all playing assignments and handicaps. Members are expected to email Josh Civello, Joshua.Civello@cor.gov no later than 5:00 p.m. on Saturday if they are NOT going to play the following Monday. Golfers who fail to cancel before the pairings have been made will be listed as "No show" and will receive a 5-point penalty. The only exception is in the case of illness, injury, or emergency, in which case it is the member's responsibility to follow up with an explanation to the League President or Treasurer.
